# Disclaimer

This document is protected by international copyright laws.

The content is proprietary to DPV-Tech, Inc. ("DPV-Tech"), and no ownership rights are hereby transferred. No part of this document shall be used, reproduced, translated, converted, adapted, stored in a retrieval system, communicated or transmitted by any means, for any commercial purpose, including without limitation, sale, resale, license, rental or lease, without the prior express written consent of DPV-Tech.

Solely the owner of the scooter is responsible for observing the service intervals prescribed by the manufacturer.

The same applies for handing over the scooter to an authorized Seacraft service point, in case the scooter must be repaired.

DPV-Tech nor any of their directors, officers, employees or agents shall be liable in contract, tort or in any other manner whatsoever to any person for any loss, damage, injury, liability, cost or expense of any nature, including without limitation incidental, special, direct or consequential damages arising out of or in connection with missed service intervals or delayed/missed repairs.

This document is to be filled in by the manufacturer, the distributor, the dealer or the authorized service point of Seacraft products.

Should you have any questions or comments regarding this service history, please contact the manufacturer, your local distributor, dealer or authorized service point.

# Important Notes for the Owner

Please note, that this booklet documents the service history of your scooter. Hence, please maintain and store it carefully, because the information contained herein will be used to determine the warranty status of your scooter.

Your scooter's service history will also come in handy, should you ever plan to sell your scooter. With this booklet, you can document, that your scooter is well maintained.

This booklet must be handed out to the authorized service point, if your scooter is turned in for service. The service technician will fill in the service protocol and forward this information to the scooter manufacturer, who will keep a copy of your scooter's service history.
